COMMUNITY ENGAGEMENT EXPERIENCE

Newman Civic Fellow, NIU, DeKalb, IL

Aug. 2025 – May 2026

- Active engagement in a yearlong program focused on developing and promoting meaningful changes on a community level.
- Leadership development through community engagement, problem-solving skills, and professional collaboration with other civically engaged leaders.
- Promotion of compassion, care, and advocacy to community members through civically motivated initiatives.

American Red Cross Basic Life Support Certification

Aug. 2025

- Proficient in basic cardiopulmonary resuscitation, including airway management and the use of an automated external defibrillator.

QPR Gatekeeper Certification

Aug. 2024

- Utilized the three steps; question, persuade, and refer to aid in the prevention of suicide.

Seizure Recognition and Adult First Aid Certification

Jul. 2024

- Confident in recognition of seizures and administration of seizure first aid.

RESEARCH PROJECT

NIU Undergraduate Research

Aug. 2023 – Nov. 2025

- Aided in a survey on mental health of health care professionals in regard to the moral injury experienced by these individuals during their workday.
- Analyzed preliminary survey data provided by health care professionals on the potential association between occupation and overall mental health.
- Discussed research poster results to judges at NIU CURE Conference.
- Continued to analyze data and presented developed findings at 2025 American Public Health Association Convening.

CLINICAL EXPERIENCE

Certified Nursing Assistant, Geneva Lake Manor, Lake Geneva, WI

May 2025 – Present

- Assist residents with activities of daily life, including bathing, dressing, eating, and so on.
- Provide compassionate care to all residents in a way that respects and values their personal needs and wants.
- Record detailed electronic documentation of clinically significant data, as well as information related to the overall well-being of a resident.
